BABONS Cancer Support is a charity that exists to come alongside the cancer community of Tonbridge, whether they are the patient themselves, their carers, colleagues, family and friends, or whether they have lost someone to cancer. We do this through counselling, drop-in emotional support, support groups, cancer cafe's and compassionate practical support.

All our services are free to those who need it, which means fundraising and donation support is vital to us.

If you are able and would like to make a donation to support the work of Babons in the community, we would be very grateful. You can either make a cash donation, use the QR code below which will take you to our Just Giving Donation page on our website, or use the bank details below.

Thank-you for your support!
